Handy cock

My husband Ray and I usually have a Friday fuck and photo session. I guess Ray must have mentioned something to his mate Kev, because last Friday he walked in on us totally unannounced, as I was sliding a large dildo up my pussy.

"Don't stand there like a lemon," I said. "Join us!"

I told them I would put on a sexy show with my dildos as long as they got naked

and took photos. They hurriedly stripped off and got the cameras.

I lay on the floor, spread my legs and began thrusting a small black dildo into my soaking pussy. Every fresh thrust of the dildo sent me into a frenzy.

Flat mating

I'd been seeing Lucy for two months when I discovered she was having it away with Tanya, her flatmate, at the same time!

When I went round to discuss it, Tanya was on her own and tried it on with me. I was really into Lucy, so I confessed to her when she came back. To my surprise, Lucy just laughed. "She comes on to everyone," Lucy said. "Total nympho," Lucy said. "Total nympho." Then she took a deep breath and said, "You can fuck us both if

**TRACY,

My fingers rubbed feverishly at my clit, my head thrown back.

When I opened my eyes next, Kev and Ray were both naked with big hard cocks glistening with droplets of pre-cum.

I squeezed some of this lovely liquid onto my fingers and smeared it round my butt hole. Then I grabbed another dildo and eased it into my arse.

I fucked myself to orgasm as Kev and Ray wanked and took photos. Then, with two dildos still inside me, I told them to wank over me.

I lay on the floor as Kev's hot spunk splashed over my pussy and dildo. Then Ray shot his load on my tits, triggering a massive orgasm in me.

What a session – and the pictures came out really well too, as you can see!

you like."

I was flabbergasted – I figured this had to be a wind-up. Tanya came over to the couch and sat down next to me. I swear, I didn't know what to do, but she clearly did, and started to unbutton my shirt. She got it off me like a pro, pausing only to cop a feel of the bulge growing in my trousers, stroking it roughly so that it grew visibly, pressing against the material, straining to get out.

"Of course he wants to fuck us both, Luce," said Tanya, playfully. "What red-blooded guy wouldn't?"

LUCY, MILTON KEYNES

I didn't need any more hints. I pretty much tore my clothes off, my cock ready for action. The girls undressed

who I was there for, who my cock had been aching for all day. Not that it pissed Tanya off any – the sight of me banging her mate was like live porn to her, really got her juices flowing. She stuck two fingers in her pussy, gave me one to suck, then offered the other to Lucy.

Then Tanya got onto the couch with us, backing up over Lucy, so her arse was facing me as she ground her pussy onto her flatmate's face. As Lucy licked away at her, kneading her buttocks, I saw her wiggle her cheeks, and couldn't resist wetting a couple of fingers and slipping them up her arsehole. I reckoned a shameless tart like her would get off on that and I was right.

"So, am I gonna get some cock or what?" she said. Lucy pushed Tanya's cunt off her face and told me to

I banged her hard, with none of the tenderness I had shown Lucy, which Tanya seemed to get off on. It felt a bit wrong, knowing every thrust was splashing Lucy's face with her flatmate's cunt cream, but she was telling me to give it to Tanya, let her feel the big, stiff prick

I started off with Lucy, laying her back on the couch and getting on her, missionary style. I wanted it to be clear

Lucy knows I like a blowjob and said we'd finish off with them sharing my dick, mouth to mouth, along with whatever shot out of it. We never got that far, though. As Lucy grabbed my shaft, Tanya reached for my balls, and I

just lost it, all over their faces. It was intense – my heart was pounding and my crotch was throbbing. All I can remember was them pressed up together, three fingers up each other and Lucy licking my cum off Tanya's face.

So now I have threesomes on tap. Life is great!

AFRAID TO GET LAID?

Taking inspiration from Channel 4's *The Undateables*, where lovelorn loners and misfits are paired up, Television X's *The Unshaggables* presents single porn stars who can't get dates because their tastes are too bizarre. Michelle Thorne can't find a man who'll let her bonk him up the bum, and Chessie Kay has an insatiable urge to fuck in front of tiny plastic soldiers.

Dear Julia

Why are there no naked or topless car washes in the UK? I suppose the great British public would get all het up about it and call for it to be banned. Satine Spark (Escort vol 35 no 8) showed us just what we're missing. If I had someone like her lathering up my windshield I'd have the cleanest car in Yorkshire, and the most polished knob too!

Derek, Sheffield.

Julia says: Luckily nothing shrank in the wash – quite the opposite judging by the lads watching Satine get all soapy!

SLIP-N-DIP!

Doesn't all that housework get you down? Not that we do any, preferring to spend our lives like a Stig of the Dump, on a pile of pizza boxes, beer cans and porn mags. So maybe make that Stiff of the Dump. But it got part-time cleaner Lucy all riled that she had to dust shelves and hoover nooks and crannies instead of spending her day covering herself in yoghurt and pretzels. So we gave her permission to do just that, and here are the results...

REAL WIFE'S SEX

Billie, Surrey

Getting tarty at the office party means a big bonus for Billie

MY BANGAT!

I'm the office manager for a large bank, overseeing about 60 people. It's not the most glamorous job, but at least our bosses put on a good bash for us every year, just after the bonuses have been handed out. It usually involves us all taking over a big hotel – this year it was in Guildford – and everyone just gets pissed and has a good time.

I always make an effort, dressing up classy but sexy, so I get chatted up a fair bit. Usually I don't mix business with pleasure, but this year I got caught

out. Steve was a new member of staff, a good few years younger than me and the sort of cocky little bastard I normally can't stand. But he was cute and obviously interested, and it only took a few champagnes and dances to wear me down.

I gave him my room number and told him to meet me there in 15 minutes. It was the longest quarter-hour I've ever spent, convinced one of the younger girls would hone in on him immediately, or that he'd get cold feet or just keep on

drinking with his mates. But then he was there, bang on time. When he arrived, I was in the bathroom, trying to distract myself by freshening up and re-doing my make-up.

I'd left the door open so he could let himself in, but instead of going and sitting on the bed, he came into the bathroom with me. I tried to stay calm, touching up my lipstick as he looked at my reflection in the mirror. Our eyes met and we both knew exactly what was going to happen – then he suddenly said,

"I can't wait any longer."

He grabbed me round the waist and as I craned back to kiss him, he pulled the hem of my skirt right up. I was wearing sexy black panties and hold-up stockings, which obviously had the right effect on him. Except the panties didn't stay up for long – he bent me over the wash basin, dropped his trousers and shoved his cock into my already dripping hole.

"Get your tits out," he groaned. "Pull the top of your dress down and show me

them." It was low-cut and stretchy and I wasn't wearing a bra. My boobs aren't huge but they were wobbling quite nicely

as Steve pumped my hole hard.

He slapped my arse cheeks, looking me in the eye in the mirror and telling me I was the horniest bitch in the entire company. Then he went back to gazing at my quivering tits.

He didn't last long, which didn't surprise me, and though I moaned as I felt his jizz shoot up my snatch, I hadn't cum yet. As he pulled out I stayed where

BREASTIVAL

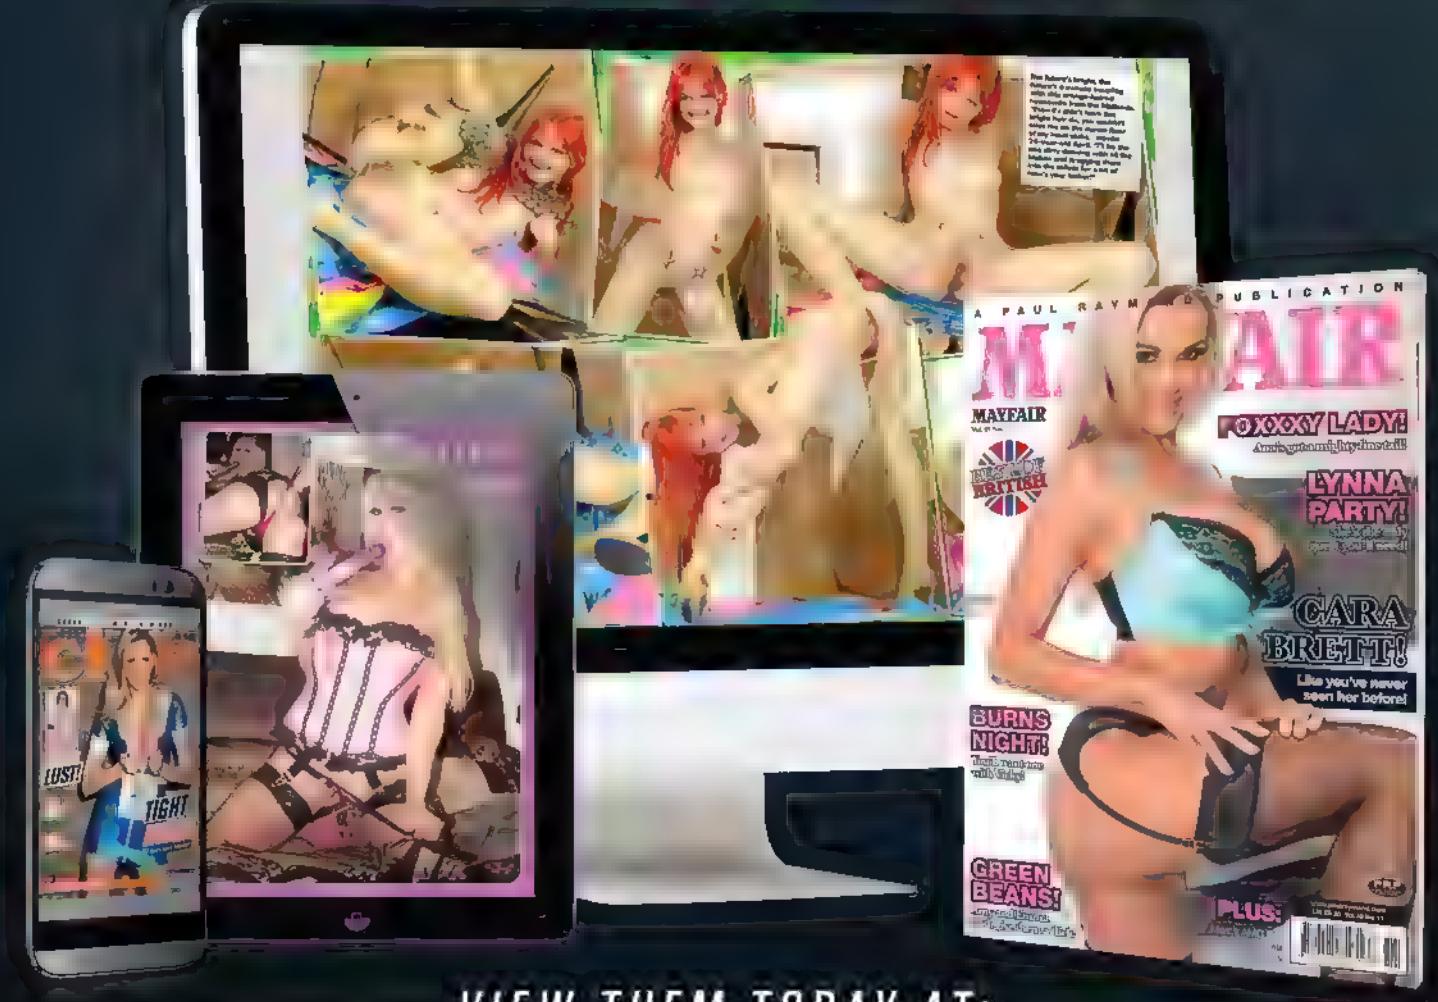

If we wanted to "have an experience" in a cesspit, we'd have become a drainage contractor, so why we'd spend hundreds of pounds to sit in a pile of dung for a weekend with a load of middle-class tossers/crusties/students while the tinny sound of Kylie Minogue floats over us from a quarter of a mile away is totally beyond us. Lottie's got a better idea — she's having a festival in the cornfield near her house to which just her and her boyfriend are invited. "Although he said his mates may gatecrash!" she says. "As long as they can access all areas, they're welcome!"

Ride of my wife

With my husband away, it seemed like the perfect opportunity for me to go and stay with my friend Sheena who lives in the south of France.

Sheena keeps horses and

much to the imagination and it wasn't long before I was thinking about his cock and what he looked like naked.

As he helped me onto the horse I felt his hand rest against my buttock and could see the glint in his eyes as he looked directly at my crotch.

I trotted off down the track and after 10 minutes or so I could feel

and found a quiet spot where I tethered the horse and sat down in the sun. With my pussy still tingling

let my fingers circle my clit. I came very quickly and felt my pussy tighten as waves of my orgasm ran through my body.

As the tremors subsided I opened my eyes and was shocked and frightened to see Henri just a few feet away slowly rubbing his hard cock.

I pulled my fingers from

KELLY,
WINDSOR

said that I was welcome to ride them at any time – all I had to do was let Henri her handyman/boyfriend know.

She also said with a sly smile that if there was anything else I wanted I just had to ask him!

The following day I put on

AS I BOBBED MY HEAD UP AND DOWN ON HIS SHAFT, I RUBBED AND FINGERED MY WET HOLE

my jodhpurs and headed for the stables where Henri was working.

We chatted as he prepared my horse and I noticed how fit he looked and that he had a lovely bottom in his tight shorts which didn't leave

my bum becoming tender from the constant bumping against the saddle, but more noticeable was the tingling sensation around my vagina as my panties rubbed against my clitoris.

I decided I had to stop

I eased my jodhpurs down a little and slid my fingers into my panties. I was very wet and the gusset of my panties was soaked in my pussy juice, so I lay there and while thinking about Henri

my pussy and tried to stand up but Henri stepped forward taking both my hands in his firm grip.

He then raised my right hand to his mouth and licked

the juices from my fingers.

After several minutes of kissing and stroking my pussy, he stood up, his rock hard cock sticking out of his shorts. He took off my boots and then my tight jodhpurs before sliding my soaking panties down my legs. I leaned forward and took the head of his penis into my mouth.

As I bobbed my head up and down on his shaft, I pushed my fingers back inside my wet hole rubbing my clit every time I pulled my fingers out.

His cock seemed to get bigger and harder the more I sucked and before long he was thrusting deeply into my mouth. I had to clamp down on his cock to stop him choking me as another orgasm pumped through my pussy.

Suddenly he stopped thrusting and groaned loudly as the first jet of spunk hit the back of my throat. I quickly pulled his cock from my

mouth so that I could feel his hot juice over my face and tongue.

He seemed to keep cumming and his spunk was in my hair, my chin and all over my face. I used my fingers to scoop as much of it up as possible before putting it on my tongue and swallowing the lot.

It tasted good, but I still wanted more as my pussy really wanted to ride that hard cock so we tidied ourselves up as best we could. I had to use my panties to try and wipe the spunk from my hair and face before we quickly made our way back to the house to

do some more "riding".

Later, Sheena she asked me if I had enjoyed my ride. I said it was the best I had had in ages!

Kelly, Windsor.

The government's defence cuts are really biting deep – Lucy and Dani's uniforms are shrinking fast! "It's sad to see the Army's numbers being depleted," sighs Dani. "I've always loved soldiers, especially when they're using me as target practice for their cocks! I suppose guys who are trained to die in combat just fuck like it might be the last time. That's always thrilling to a girl who likes to be pounded like a Waterloo square. I'm hoping these saucy pics will fatigue the cocks of any Escort readers who're serving in the armed forces!"

Confessions of a

SEX ADDICT

What's the recipe for a healthy, happy marriage? Cuddling and a joint bank account? No, it's world class blow jobs and a wild sex life – and if your wife won't put out, top escort Tiffany Snow certainly will...

once a year on your birthday – for many guys that's true.

Most guys can have fulfilling sex lives without getting world class blow jobs and

blow job is something that guys will come back for again and again.

Married guys will often tell you about their marriage in the hope of justifying what they are doing which is why I often say a working girl's role is as much

and can't wait to get out of there and back to their loved ones.

Being great at oral comes from experience

experiencing the joy of facials but at some point they will want to experience one. It's like a woman being married to a guy who never goes down on her: eventually she will find someone who does.

My escort friend Lola-Lily (pictured top left) and I are both genuine lovers of blow jobs. In my case at least three out of five times the guys don't even have full sex with me, just the suck job, even though I charge by time and not services. An amazing

They use me as a sex toy. The husband fucks me from behind while I eat out his wife's pussy.

about being a therapist as a sexpert.

The other more funny reaction married guys have is that they are super horny when they come to see me and can't think about anything but

the sex and then at the precise moment that they cum, when all that sexual tension is finally released, about fifty per cent of guys are overcome by feelings of intense guilt

either just accept your man's infidelity and be thankful I am saving you a job, or I would encourage girls who want to keep their man from straying to learn how to give and enjoy amazing oral sex.

But my ultimate advice for couples is to follow the growing trend and come along with your guy to see a girl like me. Unlike a lot of escorts I don't actually charge anything extra for girls to come with their partners as I enjoy playing

Many guys who see working girls are married – I know this as they tell me and leave their wedding rings on. That's why most working girls have so little faith in relationships: you can guarantee the women who is saying, "My man would never pay for sex" is probably the one who is paying for sex.

The reason for this is they want something they are not getting at home and that's nearly always really good blow jobs. We have all heard the jokes about getting a blow job

with women so much. Many people might think: Why pay for it when there are so many swingers out there?

Well, as a very active and experienced swinger I can tell you every couple pretty much wants it their way so you have to compromise with them and you don't always get what you want.

And although many couples don't actually want another guy to be involved, single swingers girls are so rare they are nicknamed unicorns as everyone's heard of them but no-one's ever seen one.

I learned very early on that the happiest and most stable couples I have ever met stay together because they play together. I have several regular married couples who come to see me and the sex is out of this world as the whole experience is exactly how they want it.

You'd be surprised how many women get turned-on by seeing their partner dominate and fuck another woman hard. It appeals to their naughty side of wanting to see their partner properly use and abuse a woman.

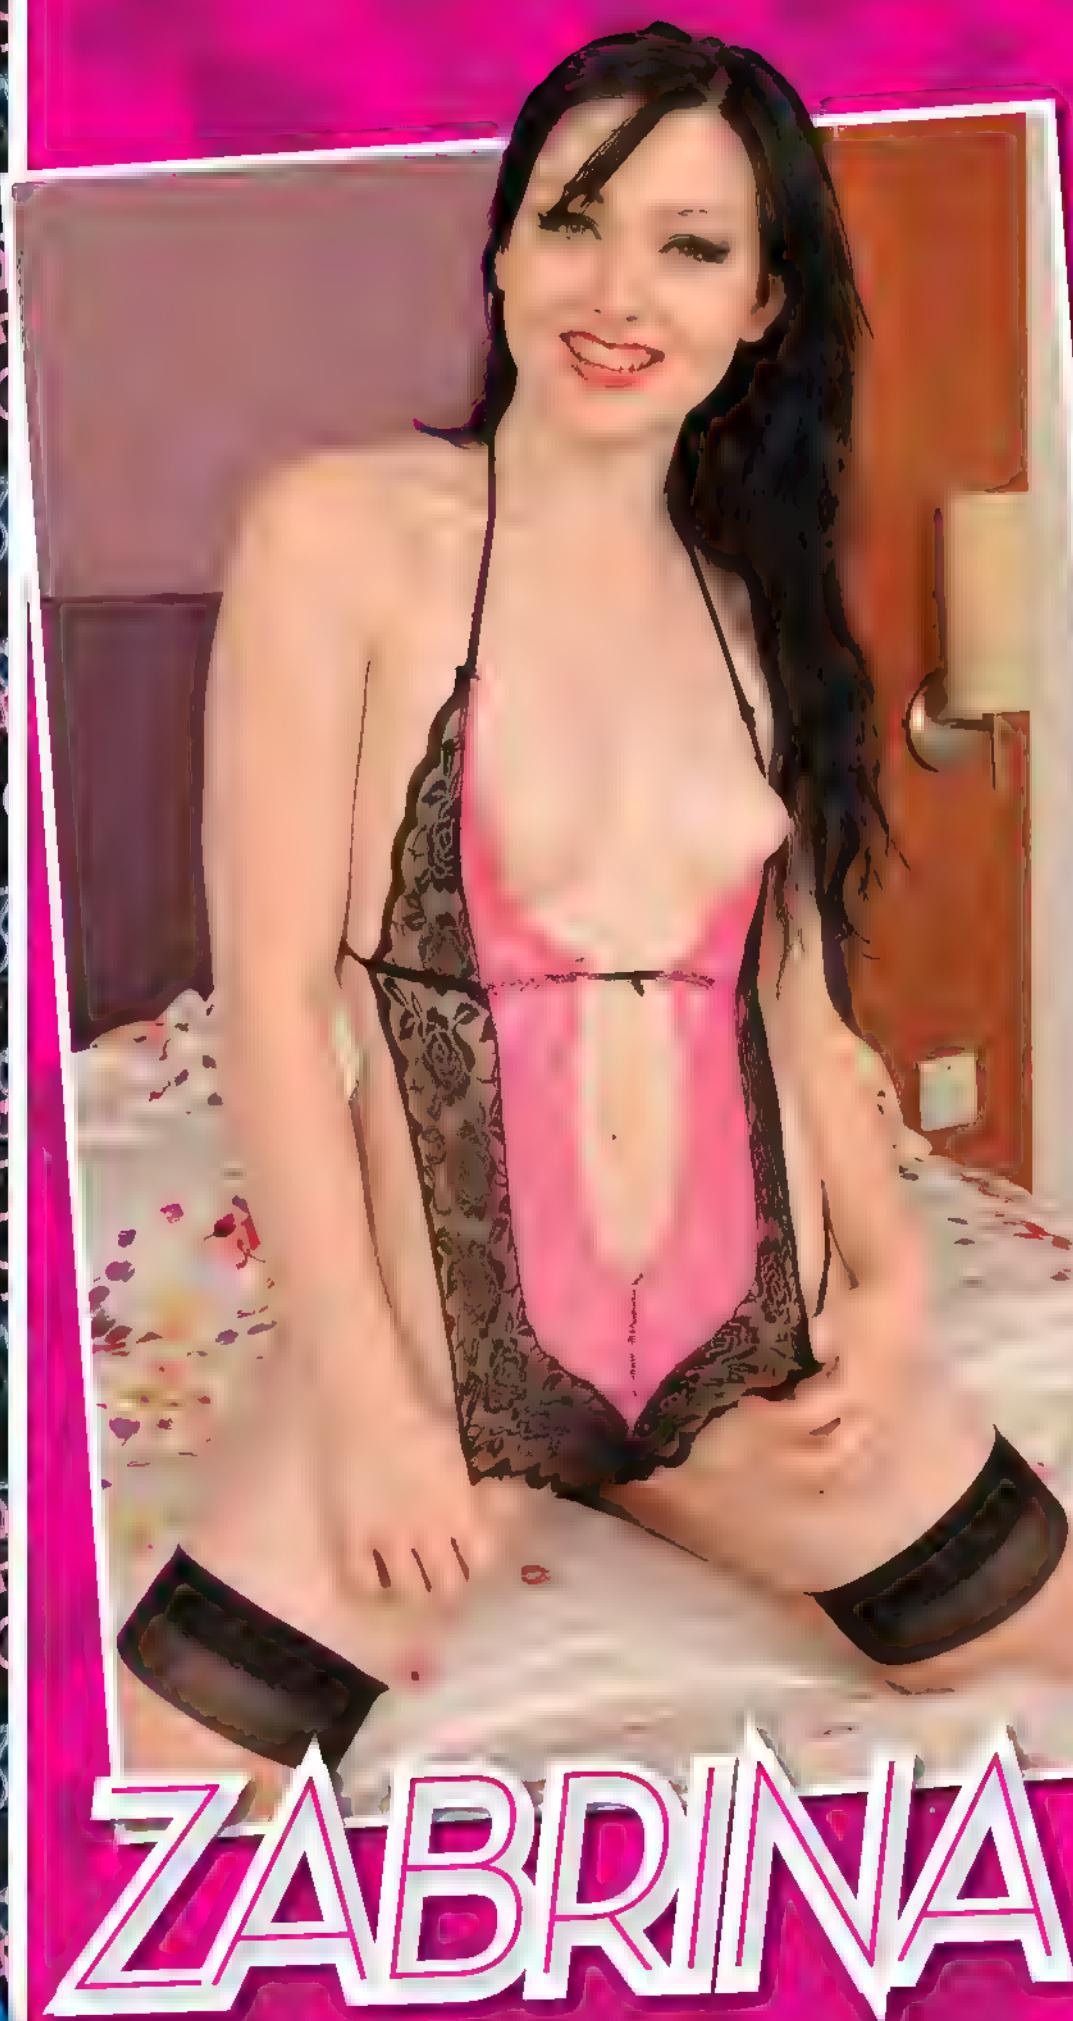

Sometimes I will get involved in a couple's spitroast where I am getting fucked hard from behind while eating the woman's pussy. I am as skilful at oral on women as I am on men.

The married couples love using me as their sex toy and I really spice things up in the bedroom more than a pair of handcuffs and flavoured lube.

I even get the occasional couples who are married to other people and are cheating on their partners. They are living out their wildest sexual fantasies with me while their husband and wife think they are at work!

But you know I don't judge and have always considered that sexually liberated people are so much happier than sexually repressed people.

What do women want? Freud famously posed the question on behalf of all men left perplexed by their girlfriend's latest saucepan-throwing incident. But sometimes women themselves don't know what they want. Like 19-year-old Zabrina. She's got a darling boyfriend, who buys her flowers and takes her out for dinner who she loves very deeply. And there's her bit on the side, who never calls, unless it's to summon her to suck his cock. "It's a woman's prerogative to have both!" she says.

Big and Bouncy

The other week, I got roped into helping out at a local fete with my girlfriend, Katie.

One of the attractions at the fete was a bouncy castle, and I should have known it would give Katie ideas. "I've always wanted a go on one of these naked," she whispered in my

When she talked me into joining her I thought what the hell - sure, she laughed because I must have looked well fucking stupid, bouncing around with my hard-on bobbing all over the place.

But, when I grabbed her and we bounced around together, my prick rubbing up against her belly as we moved together, she nuzzled

Katie as

herself on top of me,
straddling my crotch.

As she splayed her legs wide, my cock sunk deep inside her, and she reached back, grabbing my balls and rubbing them against her peachy arse.

Once we built up the pace, she was really bouncing, her tits jiggling up and down, slapping against her ribcage

I reached up, taking one in each hand and squeezing hard, my thumbs rubbing up against her nipples until she squealed with pleasure.

Again, it seemed like no time at all before her pussy was squeezing tight around my cock

ear. "Okay," I said at the end of the day. "Meet me back here at 1am."

The generator made a racket, but in the time it took

up against me and whispered, "Wanna fuck?"

I laid her down on her back - not easy, and getting on top of her took some skill. But, once I was inside her, it was

thrusting I could feel my crotch rubbing up and down against her clit.

I fucked her to a steady rhythm,

to inflate the castle, no one came snooping around. By the time that Katie arrived, it was fully up and I don't need to tell you what else was.

She stripped off and started messing around, and the reality was better than my fantasy. She'd do little star-jumps, spreading her legs in mid-air, or fling herself onto her back and bounce back up. Soon, I'd seen pretty much everything she had.

the most mind-blowing shag.

I'd thrust in but then the airbag she was lying on would bounce her back, slamming her up against me for really deep entry. As we got used to the movement and the bounce, I pulled her legs up on my shoulders then leaned right forward, virtually folding her body in half.

I don't think my prick has ever penetrated a pussy so deeply, and when I started

grinding as the airbag bounced us back. Katie was moaning away, even whimpering into my mouth as I snogged her. Soon I felt her pussy go all tight around my shaft, then ripple as she orgasmed.

"Will you get on top...?" I breathed, and rolled over,

"Hold on," I groaned and slammed into her hard and fast, two or three times.

That was all I needed. I felt my balls bunch right up then my spunk spurted out into her clenching hole. We collapsed exhausted onto the bounciest "bed" ever!

Davey, Woking.

**SINGLE MEN'S
REFLEX!**

Photography used to be so simple – you point-and-shot and got your photos back from Boots a week later with stickers all over it and a call from the local police station a day after that. Now everyone's an amateur photographer, and it's all jpeg's and bitmaps and whatnot. So we brought in young photo assistant Nina to help out, who got so turned on with talk of RAW images, saturation and apertures that she ended up getting her pixels out in front of the camera and showing us what a resolution she had to get us all hard. She ended up improving our splatter speed no end!

REAL WIFE SEX

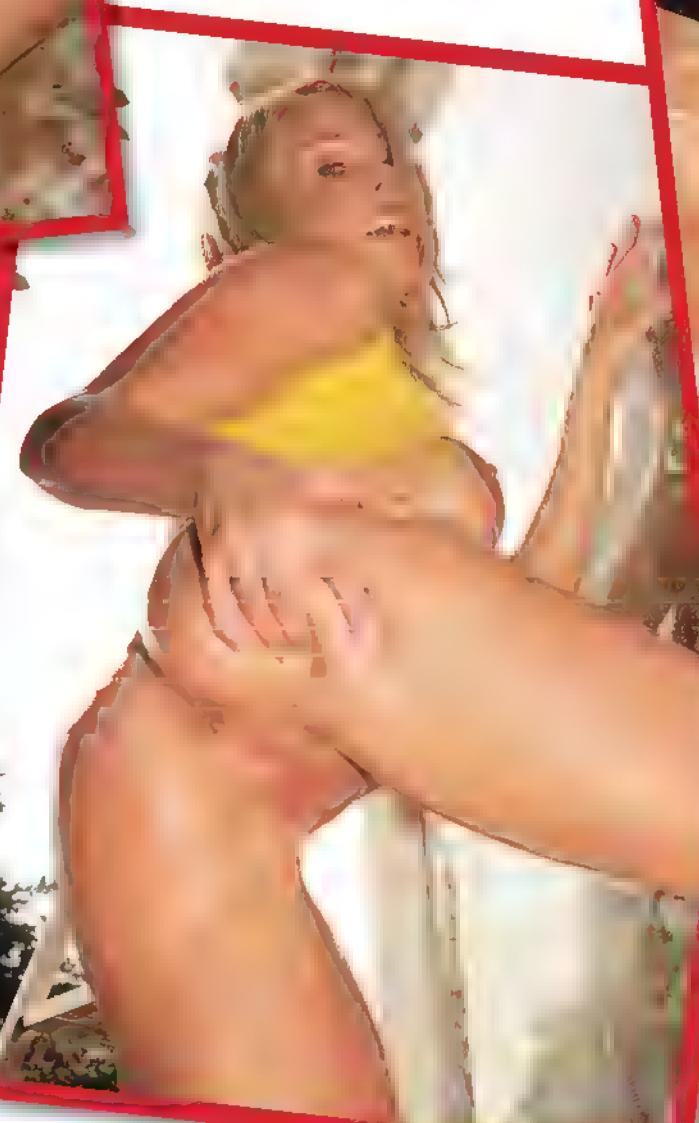

Billie's story continued from page 19

squeals of pleasure echoing off the bathroom walls. Once I'd orgasmed, he fucked me a bit harder, then pulled out, his prick gleaming wet. He asked me would I let him cum on my face and I said yes – it feels a bit wrong but that just turns me on all the more!

He moved up, straddling my body, and then sprayed his white creamy mess all over me. As the first jet shot out, I shut my eyes and just enjoyed the feel of it spattering on my face and then my boobs.

He asked me if I would let him cum on my face. That just turned me on

I was, frigging my clit and feeling the juices pour out of my cunt, down my thighs and out over my hand.

With Steve being in his early twenties, I didn't have to wait for him to get hard again – and he didn't want to waste time going through to the bedroom. I was still breathing hard from my orgasm when he started fondling my pussy again. He helped me strip off then got me to lie down on the cold tiles.

Then Steve knelt in between my legs, pulling them so high up on his shoulders my arse left the ground. He had a nice long cock on him, so getting inside me wasn't difficult. He was sliding me back and forth over the floor, moving me on and off his length, telling me to play with myself, so he could watch me hold my pussy lips open and play with my clit.

Now he'd cum once, he made sure I got in there first this time, fucking me slow but deep until I was thrashing around, my

Now I was really ready for my bed – with benefits, obviously – but Steve just wanted me to lie there, playing with the gluey ropes of his jizz. I'd shove my tits together then let them move apart, and lick it off my lips. But when he finally let me up, he wanted me yet again, bending me over the edge of the bath so he could give my pussy another reaming...

Only then, when I straightened up, another load of cum trickling out of my snatch did we finally move through to the bedroom. And the next part of an exhaustingly wild night.

Luckily for us everyone was too hungover to realise what we'd been up to, but the firm's already planning the next do. And I'm wondering how the hell it'll ever live up to that one! ☺

ISABELL

Like those American cops who feel they have to unload their clips into some poor bloke who's three miles over the speed limit, we're going to shoot first and ask questions later. "Mmm! Why don't you cuff my hands behind my back so you can spray all over my boobs and face. I'll be helpless if you want to force your cock into my mouth and jet down the back of my throat," says the 22-year-old from Kent.

quiet night in

The girl in the pics is Zoë and as well as being my girlfriend she's my best mate too. She's more of a die-hard lezzie than me, but she's a right little show-off with it.

She gets a kick out of playing up to men and performing in front of them, even if she isn't interested in fucking them – she tends to leave that to me.

She gets off on attention which means she doesn't mind messing around with me in public – she gets turned on by turning men on. We're both pretty damn horny too – maybe it's just that we dress like a pair of tarts, but whatever, it seems to work on a lot of blokes.

The sexier our clothes, the more likely it is that we'll just

end up going home together – sometimes we turn each other on too much to be bothered with anyone else.

We usually end up at Zoë's flat and then strip down to our undies. We'll put on a favourite slow tune and dance to it, feeling each other up as we move around the floor.

The other night, Zoë was feeling ultra-horny and as soon as we got in she was on her knees in front of me and easing my knickers right down and off.

Then she got me to turn around and spread the cheeks of my arse apart.

I groaned as I felt her tongue rimming round

my bumhole, and then slipping right into it. I stuffed my hands inside my bra and started playing

with my tits, pulling at my nipples in a way that gets them really hard

and aching for more attention.

Zoë slid her hands between my thighs and spread my legs wide open, then she moved in between them, craning her head back so her mouth was underneath my cunt.

Her boobs wobbled as she started tonguing me. Then she reached up to finger my clit and sucked my pussy juices

Balls to twat

Just as I was about to insert my new 'ben-wa' balls from my sex toy parcel that had arrived, my boyfriend came into the bedroom before going to work.

"Need some help with them?" he said, a big smirk on his face, and he had a little play with my cunt, getting me really moist before slipping the balls up inside me.

It was weird how they slowly drove me crazy – in the nicest way. When I walked around, they took me right to the edge of orgasm, without ever tipping me over. A couple of times I was tempted to nip into the loo for a sneaky wank, but instead decided to save it all for Jack.

Of course, he didn't help matters by sending me dirty emails all day. By the time I got home I'd probably have fucked any bloke!

up. And, as he eased it into my hole, I felt myself clench tight then ripple

HE PLUGGED MY HOLES WITH DILDOS, THEN I SUCKED HIM OFF

Jack peeled my knickers off my soaking fanny and pulled out the ben-wa balls, taking them in his mouth so he could suck them clean of my juices. I was shaking all over,

around his shaft in release.

He must have been worked up himself, if his dirty messages and calls were anything to go by, but he fucked me long and slow, seeming to hold back easily until he'd brought me to another orgasm. Then

he lifted my legs up onto his shoulders, so he could penetrate me really deep as he ploughed his cock in and out of my hole. I didn't hold back – I was just crying out with pleasure and relief, raking my fingers over my tit flesh and pulling on my

She trims her bush and her soft pubes tickled my tongue and lips as I licked her out.

After a while, I switched over to sucking her clit and pumping two fingers in and out of her cunt, hooking them so they'd catch her G-spot. She came even quicker than I'd done, and screamed out loud as her pussy clenched around my fingers.

with an orgasm.

Then I turned round and lowered myself onto Patrick's cock, kissing his lips and tasting my cunt-juice. I eased myself right down to his balls.

Then I started to ride him hard. Mark was taking pictures with one hand and wanking with the other as I gave Patrick a good fucking.

As I was on the verge of a second

orgasm, Patrick pulled my cheeks

apart and slipped a finger up my tight arse.

This did it for me, and my cunt spasmed uncontrollably as I came all over his cock and balls. Patrick was far from finished, though.

He flipped me round the bedroom from one position to another, giving me a proper seeing-to.

nipples until they ached as much as my well-rubbed clit.

It only took a few strokes in and out for him to cum too, and he grabbed me by the hips, his fingers sinking into my flesh as he pulled me hard onto him, so he could spunk as deep as his cock

bed with the cuffs. Then he dipped a small vibrator in my twat to wet it, then slipped it smoothly up my bum. I squirmed around but the handcuffs held firm.

From then on, the slightest touch drove me wild, the buzzing plug up my arse

HIS TONGUE WAS DEEP INSIDE MY DRIPPING CUNT

Last week I offered a young stud, Patrick, a night of hard fucking if he didn't mind my husband being there with his camera.

He agreed, and the next night he came round to our place. We went into the bedroom and I got on my knees and unbuttoned Patrick's jeans.

I got my mouth round his purple bell-end and wanked him off. I cupped his balls with my other hand, occasionally licking and nibbling them.

I started to strip off my clothes, and Mark came in with his camera.

I did a few poses for him, and then when I was naked I got on top of Patrick, shoving my cunt in his face and his cock in my mouth.

He buried his tongue in my wet cunt, making me squirm with pleasure. It wasn't too long before his tongue had my excitable cunt creaming

would go up my cunt.

As we stretched out, warm and sweaty with Jack's knob still hard inside me, he asked me what else I'd bought recently. "A couple of dildos and a vibrator," I said. "And a pair of those fluffy handcuffs." "Mmm..." he said, nuzzling into my ear.

I let him shackle me to the

making every sensation feel more powerful. Jack plugged my twat with another dildo and then fed his cock into my mouth. I'd never felt anything like it – the second I stopped cumming, I felt another orgasm built up – until he finally filled my mouth with spunk!

Diana, Birmingham.

I lost count of the number of orgasms I had.

When Patrick was ready to cum, I got on my knees and wanked him off over my face. Then Mark came over and spunked in my face too. I ate as much of it as I could!

Helen, London.
